### *Integrating Research into Teaching and Learning*

## Requests

- Keep your responses brief.
- Give everyone a chance to talk.

LEADERSHIP EXCELLENCE ACADEMIES

---

---

---

---

---

---

---

---

---

---

*Integrating Research into Teaching and Learning*

**Administration of the survey**

- Whom did you invite to participate?
- If you were pleased with your survey response rate, did you do anything special to encourage participation?

LEADERSHIP EXCELLENCE ACADEMIES

---

---

---

---

---

---

---

---

*Integrating Research into Teaching and Learning*

**Review Process and Analysis of the Results**

- What staff did you engage in reviewing the survey results and prioritizing needs?
- What were the top three interests that were identified?
- Did any of these surprise you?

LEADERSHIP EXCELLENCE ACADEMIES

---

---

---

---

---

---

---

---

*Integrating Research into Teaching and Learning*

**Use of the Information**

- How do you think the survey results will be helpful to you in planning program improvement?

LEADERSHIP EXCELLENCE ACADEMIES

---

---

---

---

---

---

---

---

*Integrating Research into Teaching and Learning*

**Lessons Learned**

- Are there any things you would do differently if you conducted another online survey related to research?

---

---

---

---

*Integrating Research into Teaching and Learning*

**Data Workshops Reminder:**

- Check your state schedule for the exact date.
- Not your ordinary data workshop
  - *A proactive approach to finding areas for program improvement*
  - *Solutions to fix the problems you find*
- In advance, complete:
  - *"Collecting Your Data Pre-Activity"* from the Participants Library
- BRING to next face-to-face workshop:
  - Laptop
  - NRS Tables 3, 4, 4B, 5 for 2013-14, 2014-15, 2015-2016.
